

Personnel Management

The screenshot displays the 'Personal' tab of an employee profile. The employee is 'TimeTech Admin' (admin), an IT Head, with a service start date of 01-04-2014. The interface includes a sidebar with navigation options like Personal, Department Rights, Salary/Bank, and more. The main area shows fields for Employee Name, Known as, and various identification numbers. Below this, the 'General Details' section includes fields for Join Date, Service Start Date, Employee Group, Location, National ID, and License No. There is also a 'Discontinue' section with fields for resignation submission date and discontinued date.

- Provides a centralized database to manage employee information and documents with reminders for renewals and updates.
